- Tom Anderman – 92<sup>nd</sup> district Republican Candidate – 66 and 5 grandchildren – 4 other Republicans running – Cranky only grandpa – willing to represent the people of this township and the 92<sup>nd</sup> district – trained in infection control – interested in voter fraud – not willing to sit back
- DTE – Just here to say hello!
- Jan – sorry for not being here previously – been ill – will beg providing up with various information form the county when her computer is back working
- Mikek – Fire Board Meeting –
  - use station as a training facility for a tech class through the Gi-Tec educational center – wanted member input
  - Truck bid went up 40k, will take 2 years to get. Meeting next Monday to vote on ordering – just under 500k. – funds available
- Mikek - Drains at trailer park – Kurt Giles (City of St Louis) thinks all the drains on M46 are running into sewer.
- Mikek – GCRC – we will not be doing the Crosswell Rd chip seal – per Mark Kraft, it is not worth doing. Will look at doing something about it next year.
- Fowler
  - ARPA reporting accomplished – Had to have Boge Wybanga assist
  - Census for 2020 – reached out to Mollenars office as our numbers are off – on Revenue sharing it had our 2010 at little over 2000, and 2020 at just over 1500 – received email back that they are working on it with Census bureau. It has to do with the prison count. Only one that counts for Bethany is the Maximum Security at north end.
- Mikek – Please review website proposal – look at websites
- Devine – No trash meeting yet. June 13<sup>th</sup> is next meeting – Waste Management (cart) or Priority Waste (manual) - no information on cost.
- Teeter

- no permits at this time.
  - Feters on Bagley looking to put up a house barn.
  - Any cement work over 10 x 10 section needs a permit
- Howd
  - Very low – less than 10%
  - August 2 – Primary
- Mike
  - Planning does not meet in May, October or December

Meeting adjourned at 8:15 p.m.
